

Dear Sponsor,

We are pleased to announce the second annual USF Rugby Charity Golf Tournament. This year's tournament will be held on November 14th, 2008 at the Pebble Creek Golf and Country Club in Tampa, Florida.

Started in 1969, the now nationally ranked USF Rugby club was established to provide an outlet for young talented athletes at the University of South Florida to learn and further their knowledge of the game of rugby. Since then, the club has grown and expanded to compete nationally and internationally amongst some of the best competition around.

Just as the University of South Florida Club takes pride in its drive for victories, they also take great pride in playing an active role in Bay-area communities and organizations. The exceptional support received from Bulls fans inspires the team to give back to the community. They are looking to continue their involvement in the community and to expand the team by offering scholarships to future players.

The 2008 golf tournament will be our largest fundraiser of the year and will allow our supporters to participate in many different ways. We are looking for individuals and companies to sponsor different parts of the tournament as outlined in the following page. We will also need donations of prizes and gifts to give to the players in the tournament. Please let us know how you will be able to help and advise us of any special ideas to help recognize your involvement and maximize your exposure from this generous donation.

Regards,

USF Bulls Rugby Club

Pebble Creek is best known for its exceptional layout and scenic, native Florida woods and waterscapes. Each hole is unlike the other, varied and unique in its challenges – you won't be bored. Pebble Creek meanders through the course, connecting a series of lakes that come into play. Alligators, sand-hill cranes, egrets, and other wildlife are abundant. Mature, 40-year old Grandfather Oaks, Magnolias, and Pines line the fairways. Most importantly, you will LOVE our new Greens and Tees, now amongst the absolute best in the Bay area!

Those who know Pebble Creek will tell you that our local ownership and operation set us above the rest. Our professional, friendly staff shares in our success and your pleasure. And, you will enjoy the long-term investments made in the last two years to the course and facilities – new Champion Bermuda Greens and new Australian, Celebration Tees on all holes, and major infrastructure updates in bridges, cart paths, retaining walls, and irrigation.

Brand new sand bunkers completed in July of 2008 have pure white sand and crisp edges. Go to the website to see photos of all 18 holes.
